3. Were any of the Corrective Action Plans from this year duplicates of, or similar to, the Corrective Action Plans from the previous year?
N/A
4. Were all of the Corrective Action Plans from this year completed within 60 days of the corresponding Incident Reviews? _____ If applicable, explanation of why any Corrective Action Plans were not completed within 60 days of the corresponding Incident Reviews:
N/A
5. Were all of the Corrective Action Plans from the previous year completed within 60 days of the corresponding Incident Reviews? _____ If applicable, explanation of why any Corrective Action Plans from the previous year were not completed within 60 days of the corresponding Incident Reviews
N/A
6. Are there any adjustments that need to be made to the established staffing plan?
No

7. Are there any adjustments that need to be made to prevailing staffing patterns?

No

8. Are there any adjustments that need to be made to the facility's deployment of video monitoring systems and other monitoring technologies?

No, the system is adequate. We would, however, like to eventually install additional cameras.

9. Are there any adjustments that need to be made to the resources the facility has available to commit to ensure adherence to the staffing plan?

No

10. Are there any other observations related to PREA and protection of residents from sexual abuse/harassment?

No
